PCI On September 13, 1998, despite Faye and his team working on cooking, Mao is still thinking about what to cook, with his friends anxiously waiting. Finally, after watching the king a little bit, he comes up with a theme and they start cooking. After much rushing and rushing, they finally finish their 100 dishes just in time. Faye presents his Neo Man Han banquet, and The King takes one spoon from each of the 100 dishes and says it's full (given Mao's dishes are discarded). However, after some plea from Mao, the king decides he will try one dish. After that, he went crazy, and started eating more and more until he finished all 100 dishes! So he asks Mao the secret behind his meals, and Mao said he thought that the king has small wrists and oil skin, and the theme of his food should be healthy and fresh. King then declares that Mao won, and Mao says he doesnt want to take a job, instead traveling to find the rest of the kitchen utensils. He then asks Faye to come along, and Faye tells them why he joined UCS. So they went to look for the remaining 5 kitchen utensils. On August 2, 1998Now they got a cooled Dragon Pot. Mao used pot to cook Kicca Pai's famous sauce using a recipe in a package given to him by Shou An in his dying moments (which was actually the second part of Pai's cookbook). Typically, the sauce takes months to mature, but the powers of Cooled Dragon Pot lack process for up to seconds. After they went to look for the steamship, Ruo's mused, seeing Mao taking a huge steamship ut storage. Mao gives an O.K signal to Ciro and Maii, and they lift the lid. When the pair are cleaned, they see a huge sio siu-mai in it. Shell however knows that a large siu mai will not be prepared properly in the nuts. Mao invites Ruo to try his sio mai. Ruoh takes out some siu mai shape like a small siu mai and eats it. A wave of culinary taste dips him when he eats it. It goes to other parts siu mai ad tastes of them. The explosion of the universe immerses him, making him think like a whole something out there. Thus, Mao announces that his sio siu may have a big bang Sio Mai! Shel bewildred to see such an amazing act and splatter that's how all the meat is cooked through. Ruoch calls his cattle ban sword and someone gets it for him. Ruo then jumps and cuts Sio siu-mai into quarters. Shel is shocked that everything is marble inside. Mao explains the cooking process, and everyone is ochre and aching on the method. Shel admits defeat after Chou announced mao had won hands down. Choyu looks at the Big Bang of Sio siu Mai and Shel 50 siu mai orders and orders Meiri to open the door to allow everyone to eat. Choyu, however, tells Ciro that as punishment for cooking as a boy's errand, Ciro should massage Ruo's back. Schell exits the restaurant, predicting they'll meet again soon. On November 30, 1997Mao was selected to host the restaurant key. Then, when he had to leave the restaurant for some pickup trucks, he left the restaurant under the tussle of Maii and Ciro. Now that Maii is about to close the restaurant, Shel (though his name is not still), demanded to let in and order some fried veg. Siro, thinking he would have some help, decided to fry fry instead. Shel resented trying such a disgusting dish and demanded for a cook. Mao immediately took charge and thus Shel saw a cloth wrapped over mao Super's badge. Shel then showed Mao the stars he earned when he defeated other good chefs, and Mao is surprised (naturally). Shell challenges Mao for the battle of Liu Mai, but Mao refused as he has to take care of Yossen Schuuk. Shel, outraged, uses his stick to destroy the place. Ruo and Chou returned when Mao finally accepted the challenge and Maii doubts it. By then, Shel had discovered that Mao is Kykah Justin or Super Chef. November 2, 1997Mao party stay in the 'Chicken Town' village in southwest China. This village is the largest supply of chickens in China. On October 26, 1997Mao, Meili and Shilou were eating at the restaurant, but when they were going to pay, they learned that Shiloh had lost all their money. They were thrown out by chef Harry and his thugs, but a certain Eagle, third-grade chef stopped them. A fight ensued and she was stopped because the restaurant owner arrived with his daughter, Laia. Mao then asked the owner to let them work out the debt while working in a restaurant. It also emerged that Laia was engaged to Harry and they were due to marry the next day. Igle meanwhile cut the phoenix out of the ice as a gift to Laia and then left the restaurant. During the walk, he found Harry (with two girls by his side) who planned to make a restaurant at the bar after he married Laia. Eagle was crazy, but Harry's friends outperformed him. Mao found Eagle lying on the dirt and decided to help him and rip Harry off. During the wedding, Mao used subtleties, making soup from the galaxy, a completely black soup that kind of sparkles (like stars in black sky) and tells everyone about Harry's plans. Mao then showed Laia the pearl bracelet that Eagle promised her. Then they showed the ice carving Igle did. Laia fled to find Igle on the bridge where they professed their love. September 21, 1997Mao is separated from Maii and Ciro in the woods at night. The staff were very friendly and helpful. Sick owners, however, want to have only a red cone. Mao and the gang are trying to find the secrets of this addictive cone and find it made from a poisonous red mushroom. We also provide transparency about your arrival before any objective years. Mao almost instantly goes to work (to Meiriya's jealousy) on it with Ciro. When they finally work out its use, they tell Ang and she escapes them in the room. Ang then uses the ball and chain to create a dish for the official who came in. :D The dish Ang makes is one of the specialties of Vu Nam. It is called the bird's nest and is made by frying tarot powder in the form of a bird's nest. Inside the nest, usually some stir fry vegetables and meat. One Ang is trying to make is a sphere, not a hemisphere, like a normal bird's nest. June 8, 1997 Guangzhou dumping festival has arrived! The winner is the team that has the most eaten plates of dumplings. The old man wants to try a wonderful funny round dumpling, but he is told to leave because he was like a beggar. Mao gives the old dumplings and learns that the man used to be the emperor's chef. After this news, everyone flocks to Mao's store to eat his dumplings. When time sat down, the plates were counted! Mao and the Dumpling Brothers were equal first with 1,242 plates. The judge, on the advice of an old man, announces a re-meeting the next day - But different dumplings must be made! On June 1, 1997, guangzhou dumpling festival is coming, and this year Yang spring Restraunt hopes to win again. However, a new contender appeared - Chinese brothers dumplings! However, when Sanche is asked by Choi to chop some vegetables, he is unable to finely chop them down (due to a tragic childhood where he was taught to cook by his strict father) and so all customers become unhappy with re-cooking. Choi drives Sanche out of the restruct for his poor ability to cook. Sanche runs away and tries to get on a boat to return to Shanghai. Mao stops him and offers to help him show off his Choui skills so he can be a cook for restraunt. May 11, 1997Mao arrives in Guangzhou and goes to Yang Spring Restraunt. Initially, it is ignored by the chef of choyu's restraunt. Mao shows him a letter of recommendation from General Li, to which Choi becomes a little surprised, but simply clings the letter away and tells Mao to cook bakchoy (white-Chinese cabbage) for chefs to eat for lunch. Mao cooks bakchoy, but the dish is rejected by all the other chefs. Choui tells him that Guangzhou water contains a lot of dirt, so when Mao cooked the bakchoy, all the taste of dirt entered him. Mao, being a talented cook, he immediately goes to work, finding a way to get rid of the mud of taste. After just one day, Mao works on how to get rid of the mud of taste and pleads with Chou to let him prove his skill. Mao cooks bakchoy again, this time using oil that prevents cabbage from absorbing the taste of dirt. Mao is congratulated by all chefs for his clever thinking and is accepting Choyu favors him as a fourth-grade chef for his achievements. Of course, this makes another resident cooking the boy's master, Sanche, a little jealous. On May 4, 1997, Mao's culinary match easily defeats Showan. Showan, embarrassed that he was beaten by a little boy, runs away from the restrage. General Lee congratulates Mao on his clever thinking in his Ma Por tofu cooking. Instead of using beef, Mao replaced her beans. It gave a wonderful taste General Lee remembered when he was just a soldier at war and there was no beef because all the cows died. General Li, seeing Mao's talent instructs him to go to Guangzhou and build up his skills so he can enter a special class cooking test. On April 27, 1997Qing dynasty, Imperial China, a small restraunt in Sichuan province mixed up a first-class cook Shouan. To to defend his deceased mother's restraunt, Liu Mao Qing (Mao) has a culinary match with Shouan, the judge being General Lee. Dish: fried rice. Shouan cooks fried seafood rice using the most flavorful seafood, and Mao cooks a friend's golden rice, which is mostly fried rice and egg yolk, to make the rice a golden color. Lee finds Mao's dish far superior to Saauan's dish. Showan, upset about losing to a child, announces a rehatck. Lee agrees, but only on the basis that if he loses, he will lose his first tier class and will never be allowed to cook again. Similarly, if Mao loses, he will lose the Spurs to Showan. They agree, and Lee announces a dish to cook Five Flavour Ma Por tofu with the added flavour they have to decide to invest.
